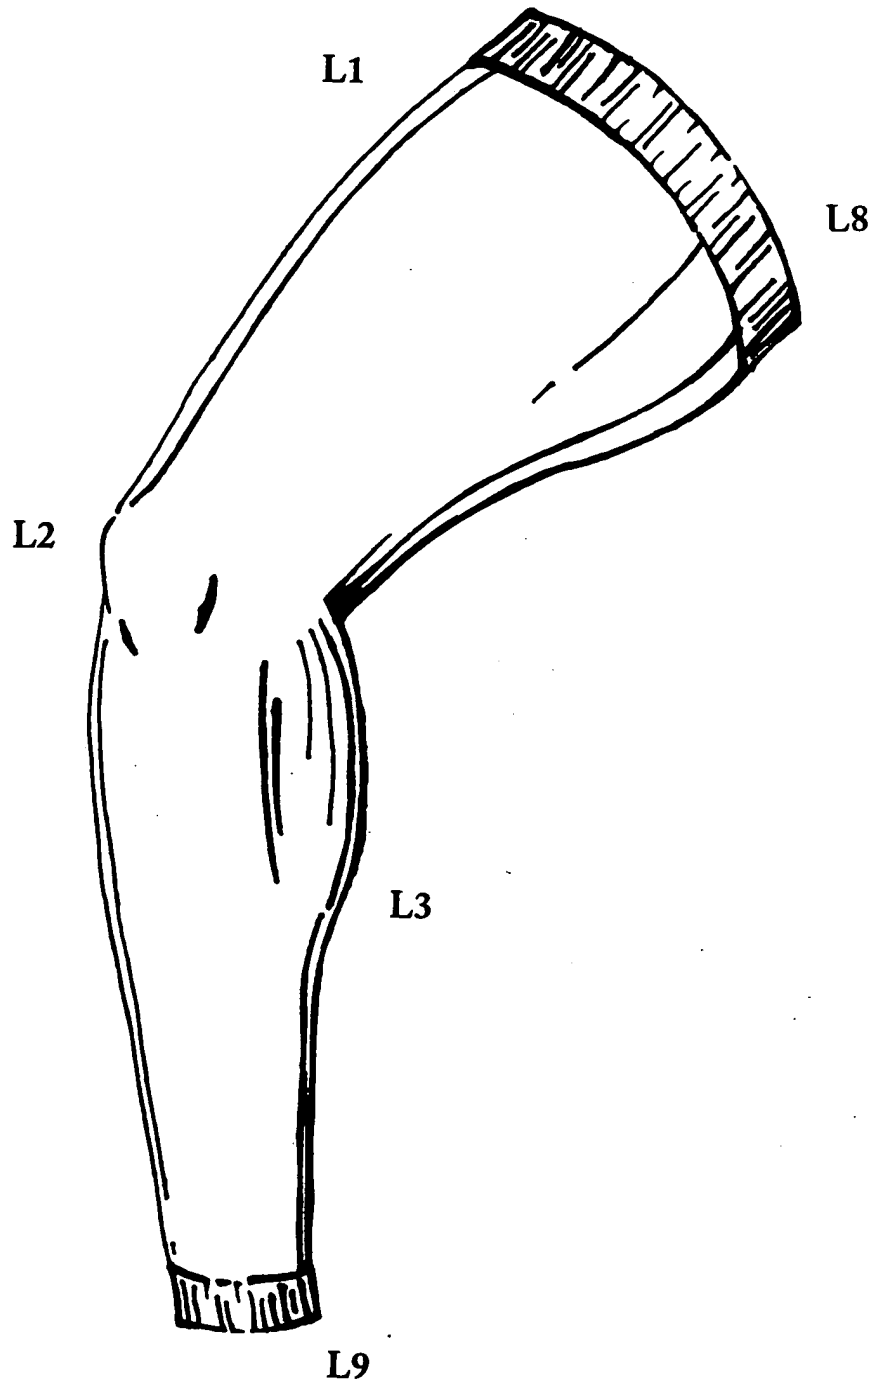

Figure 4

A line drawing of a stylized, elongated object, possibly a piece of pottery or a biological structure. The object is oriented vertically, with a wider, flared top and a narrower base. It features several labels: 'L1' is positioned near the top left; 'L2' is on the left side, near the middle; 'L3' is on the right side, near the bottom; 'L8' is at the top right, near the flared edge; and 'L9' is at the bottom center, near the base. The drawing uses simple black lines on a white background, with some internal shading lines to suggest form.
